Dear Sir/Ma'am,

This is to inform you that, we have recently updated our corporate website i.e. www.naapbooks.com for the purpose of incorporating new technology and enhancing cybersecurity measures. This update was carried out to ensure the safety and reliability of our online presence while maintaining the integrity of our domain name, which remains unchanged.

The primary changes to our website are as follows:

- 1. Technology Upgrade:** In line with industry best practices and the ever-evolving technology landscape, we have implemented updates and improvements to our website's underlying infrastructure and design to provide our stakeholders with a more seamless and secure user experience.
- 2. Cybersecurity Enhancements:** Cyber threats are a constant concern and safeguarding our online assets is a top priority. We have reinforced our website's security features to protect sensitive information and data.
- 3. URL Redirection:** To ensure a smooth transition for our website users, all the old website links (URLs) have been redirected to the new website. This means that if anyone attempts to access the previous URLs, they will be automatically redirected to the corresponding pages on our updated website.

We would like to emphasize that the domain name of our website has remained the same and it continues to be www.naapbooks.com. Therefore, there is no change in the fundamental web address used by our stakeholders to access our online resources.
